In this regard, according to what was reported by Ms. Susana Arce in Report d) of the reference, in accordance with the provisions of Article 1 of the aforementioned Resolution, we provide you with the requested information in the following order:

A. Copy of the response provided by the ESSALUD Ica Healthcare Network to the request made by the MINCUL to deliver the results of the radiological examinations carried out on September 13, 2024, on the Nazca Tridactyl Mummies named María and Wawito.

In this regard, a copy of Official Letter No. 227-GRA-ICA-ESSALUD-2024 of 11/20/2024 with which ESSALUD attended to this DDC is attached, which includes the report of the results of the medical examinations of the mummies called tridactyl by the appellant and the National University of San Luis Gonzaga of Ica, as their possessor

B. Copy of the images, videos, and reports issued by the ESSALUD Ica Healthcare Network as a result of the examinations performed on the Nazca mummies, María and Wawito.

C. Copy of the report issued by the MINCUL on the assessment of these tests for the determination of the Nazca mummies as cultural heritage of the Nation.

The medical examinations mentioned in the items prior to this one, requested by Mr. Jorge Luis Flores Paredes, were managed by this DDC to continue the process of declaring the "María" and "Wawito" mummies as Cultural Heritage, with provisional protection (Directional Resolution No. 000002-2024-DGM-VMPCIC / MC of 01/05/2024), by the Directorate of Management, Registration and Cataloging of Movable Cultural Property of the General Directorate of Museums, as it is within its jurisdiction. Thus, since the Valuation Report is part of the process of determining both mummies as cultural property, its preparation is still in process by the Directorate of Management, Registration and Cataloging of Movable Cultural Property

D. Copy of the administrative resolution declaring the Nazca tridactyl mummies as cultural heritage of the nation, if applicable.

Considering that the declaration process is in its infancy by the Directorate of Management, Registration, and Cataloging of Movable Cultural Assets of the General Directorate of Museums, the requested resolution is not yet available.

Without further ado, I bid you farewell.

Sincerely,
